PROFESSIONAL PHOTOS will be taken of your dancer's group (for each class) as well as individual shots of each dancer at Avanti Dance Company on dress rehearsal day. PREPARING FOR THE PERFORMANCE

PLEASE NOTE THE FOLLOWING:

For the safety of your children, all students must remain in their assigned dressing room/designated waiting area during the performance. We will have parent volunteers to remain backstage in each dressing room to assist dancers with wardrobe changes. For those with younger children (under the age of 5) one parent may remain in the dressing room with the dancer until the show is over. Otherwise, no parents will be allowed backstage once the show begins due to limited space.

Students are not allowed to leave before the conclusion of the performance. Dancers should arrive 1 hour before the start of their show and must be signed in and signed out of their backstage group by the same parent or guardian. Please send your dancer with activities, coloring books, etc. and snacks and drinks that won't stain his or her costume, i.e. pretzels, crackers, water, etc.

THEATER ETIQUETTE

In effort to avoid disrupting those performing on stage and those watching the show there will be **no entering or exiting the theater** while the performance is underway unless it is urgent. This is also very problematic for the videographers and can completely ruin the quality of the filming. We ask that parents and families remain in the theater until the intermission or conclusion of the show and allow volunteer parents to help your child(ren) with anything they might need backstage. If there is an urgent situation that requires your attention, volunteers will send you a text message to come to the dressing room.

NO VIDEOTAPING OR FLASH PHOTOGRAPHY is permitted during the performance for the safety of your children.

Thank you in advance for your cooperation.
